Solid South American Rosewood (also called Rio) back and side.

Great playability, nice deep sound typical from the Gee guitars of this time. One crack on the back and small one in the varnish at the bottom of the guitar, all repaired and stabilized. The guitar is sold with its original Roger A. Bamford hard case.

Price : £3.000.00

Please feel free to contact me for any further information. The guitar can be tried at my place in Bristol on demand.
